

## TECHNICAL PRESENTATIONS

- Morgan, C. (2009). Green Energy Conservation of DoD Ships and Offshore Platforms. Houston, TX.
- Morgan, C. (2008). La Tecnologia, Quimica e Investigacion. PolySpec Spanish Technical Training. Houston, TX.
- Morgan, C. (2007). New Airfield Sealant Technology. NAVY Small Business Innovative Research Forum. Crystal City, VA.
- Morgan, C. (2007). La Tecnologia, Quimica e Investigacion. PolySpec Spanish Technical Training. Houston, TX.
- Morgan, C. (2007). New Product Development PolySpec® Ultralite. PolySpec Sales Training Meeting. Houston, TX.
- Morgan, C. and Gaughen, D. (2007). Demonstration and Validation of Low VOC Barrier Coatings for Industrial Maintenance. Naval Facilities Engineering Command Meeting. Washington, D.C.
- Morgan, C. (2006). Research and Development. Marine coatings and Underlayments. PolySpec Sales Training Meeting. Houston, TX.
- Morgan, C. (2006). La Tecnologia, Quimica e Investigacion. PolySpec Spanish Technical Training. Houston, TX.
- Morgan, C. (2006). Epoxy Chemistry Training for Sales. PolySpec Annual Sales Training Meeting. Houston, TX.
- Morgan, C. (2006). New Product Research and Development Update. PolySpec Sales Meeting. Houston, TX.
- Morgan, C. (2006). Research and Development of New Products. PolySpec Sales Meeting. Houston, TX.
- Morgan, C. (2006). Synthesis of New Coatings and Primers. PolySpec Sales Meeting. Houston, TX.
- Morgan, C. (2005). Synthesis and Characterization of Novel Metal Organic Framework Materials. The University of Houston-Clear Lake Chemistry Department, Research Project Defense. Houston, TX.
- Morgan, C. (2005). The Structure, Activity, Photostability, and Toxicity of Sunscreen Chemicals. The University of Houston-Clear Lake Annual Chemistry Graduate Seminar Houston, TX.

Morgan, C. and Hance, B. (2005). Ion Exchange Resin: Analytical Procedures and Technical Reporting. MECO INC. Ion Exchange Resin Technical Meeting. Houston, TX.

Morgan, C. (2005). Polyphosphazenes Studies: Synthesis, Properties and Applications. The University of Houston-Clear Lake Chemistry Department Graduate Seminar. Houston, TX.

Morgan, C. (2005). Polysilanes: Synthesis Methods and New Applications. The University of Houston-Clear Lake Chemistry Department Graduate Seminar. Houston, TX.

Morgan, C. (2005). Polysiloxanes Studies: Synthesis, Properties and Novel Applications. The University of Houston-Clear Lake Chemistry Department Graduate Seminar. Houston, TX.

Morgan, C. and B. Rundberg (2004). The Total Synthesis and Retro Synthetic Analysis of Foreskolin. The University of Houston-Clear Lake Chemistry Department Graduate Seminar. Houston, TX.

Morgan, C. and Hance, B. (2004). MECO INC. Water Treatment and Water Conditioning Products and Services. Technical Regional Meeting. Houston, TX.

Chavez, C. and Halasyamani S. (2001). Synthesis and Characterization of Noncentrosymmetric Oxychlorides. The Center for Advanced Oxides MRSEC Annual Symposium. Houston, TX.

Chavez, C. and Jacobson A. (2000). Surface Studies on  $\text{La}_{0.6}\text{Sr}_{0.4}\text{Fe}_{0.8}\text{Co}_{0.2}\text{O}_3$ , The Center for Advanced Oxides 4<sup>th</sup> Annual MRSEC Symposium. Houston, TX.

Chavez, C. and Becvar, J. (2000). Introducing Chemistry to Future Scientists. The 219<sup>th</sup> American Chemical Society National Meeting, San Francisco, CA.

Chavez, C. and Becvar J. (1999). Modifying The Chemistry Curriculum To Include More Peer-Led Learning And Less Lecture. The University of Texas at El Paso, ACES Funding Meeting.
